May 31, 2018

Listen up, Seahawks! Our very own own 8th grader, Karthik Nemmani, has made it to the Finals of the National Spelling Bee in Washington, DC today! He is one of 16 finalists from an original field of over 500 spellers! You can watch him today and this evening on ESPN! Go, Karthik!

Listen up, Seahawks! The end of the year is almost here, and that means important events are happening this week! Tomorrow, Friday, June 1, all of our 8th graders will celebrate at the 8th grade "Later!" Lunch. 8th graders will receive a t-shirt from our Scoggins PTA, and students who ordered a yearbook will also receive their yearbook. Students will then take their lunch to the courtyard during both "B" and "C" lunches to enjoy a longer lunch, and sign each other's yearbooks. Please stay in classes until we call for you to come to lunch. Students should remember to bring Sharpies or pens tomorrow!

All 6th/7th graders who ordered a yearbook will receive their yearbook, too, tomorrow at the beginning of 7th period, and then all 6th and 7th graders will get to participate in Yearbook Signing Time during 7th period. Sixth graders will be in the Practice Gym, and 7th graders will be in the Competition Gym. Please stay in classes until we call for you to come to the gyms. Students should also remember to bring Sharpies or pens with them tomorrow to sign each other's yearbooks!

Finally, our 8th graders will participate in our annual "Final Scoggins Middle School Walk" tomorrow at dismissal time. At dismissal time, all 8th graders will walk through the 8th grade, 7th grade, and 6th grade hallways on their way out the front doors, as our current 6th and 7th grade students and teachers cheer them on to high school! We will miss you so much, 8th graders, but remember – "Once a Seahawk, Always a Seahawk!"
