

Gunstream Traffic Safety

Protecting our children needs to be the number one priority for everyone. Please help us by observing the following:

Please keep traffic moving.

Watch your speed. Keep it slow.

Avoid jaywalking.

Obey the crossing guards. They are protecting your children.

Crosswalks should never be blocked by cars.

Safety Patrol students, teachers and parent volunteers will assist children in and out of cars.

Children should enter and exit cars next to the curb closest to the school.

Drivers must stay in their cars.

No parking on Shepherds Hill or the corner of Inlet and Creekwood. Use the parking lots or Rockyridge.

No parking by fire hydrants.

Upon exiting the school, please travel north on Inlet Street to avoid wrecks and backup.
