

Welcome to the McSpedden Elementary family! Hi, My name is Melissa Stephens and I am so excited to be your teacher. I have been an Elementary school teacher for five years and this will be my second year teaching Kindergarten. Kindergarten is such an adventure and I am looking forward to a year of learning and growing! I graduated college and earned my bachelor degree at the University of North Texas.

I was born and raised in Plano, Texas and have been married seven years to my wonderful husband. We currently have a little girl, Hope, who is a very fun 19 month old as well as a dog named Carmella. When I am not teaching, I love to spend time with my family, travel, and explore a variety of foods and cultures.

Joining McSpedden this year will be very exciting and I feel so blessed to be a part of the enrichment and growth in your children!
