What is WATCH D.O.G.S.?

WATCH D.O.G.S. a one-of-a-kind school-based, father involvement program that works to support education and safety and one of the nation's largest and most respected school-based, family, and community engagement, organizations in the country. Since the program's creation in 1998, more than 6,450 schools across the country have launched a WATCH D.O.G.S. program of their own. Each school year hundreds of thousands of fathers and father-figures make a positive impact on millions of children by volunteering millions of hours in their local schools through this amazing one-of-a-kind program.
