NASA – “Academy of Future Space Explorers”

Make the principles of STEM come alive with this exclusive partnership program between Mad Science and NASA: "Academy of future Space Explorers"! We're on a mission to explore the atmosphere on Earth—and beyond.

Grades: K – 2

(Class Examples – Actual modules, sequence can vary)

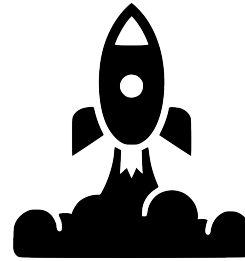

Program Details

To enroll visit register.madscience.org/dfw or call (972) 241-0475.

Maximum class size is 20. PLEASE DO NOT CONTACT THE SCHOOL. Call Mad Science directly.

- STEM Maker Labs run once a week – Each lab is different.
 - Take-home project each lab session
- Easy Installment Plan:
 - Total fee: 3 payments of \$70
 - First payment is due at the time of registration
 - Future payments will be automatically calculated and drafted on the first day of following months.

To discontinue the program, please contact Mad Science for a refund *prior to the second scheduled class* and we will refund the fee (less \$20 for processing). After that time, no refunds will be issued.

For more information, please call our office at (972) 241-0475, or email info.request@msgdallas.com.

Schedule conflict? Or simply want a more personalized program? Check out Mad Science iSTEM Preparatory!

On weekends at various DFW locations, **Mad Science iSTEM Preparatory** offers immersive multi-week small-group sessions. Topics include, Coding, Robotics, Electronics, 3D Printing, and even Hydroponics! We can also personalize some programs just for your child and bring the program to your home. Email us at info.request@msgdallas.com, or simply give our office a call for more information.
