

Tadlock Elementary Dismissal Plan

Please do not park along Godfrey after school to pick up your child. The buses need access to the front lanes. Parents should park in the parking lot or use the pick up lanes only after school for student safety.

Students and parents should use the crosswalks at all times for safety.

Car pick up for K-3rd is in the back of each POD. K-3 Cars should enter from Pennywise. 2nd/3rd grade parents should utilize the far left lane and pull up to POD 3. K/1 parents should utilize the right 2 lanes only while waiting for their child. Teachers will help load your child and once they are in your car, please pull carefully and slowly into the far right lane to exit.

4th and 5th grade parents should enter the parking lot coming from Wilton Drive, utilize the right 2 lanes to pick up their child and exit back onto Wilton Drive by turning left only. The K-3rd grade and 4th/5th grade traffic lanes should not cross.

All students who are walking home will exit the building through the front doors and walk to the closest crosswalk. There will be colored cones in the dismissal area by grade level for students to wait for their parents

Older students will walk to their younger sibling and be picked up in their area. If you have several children at Tadlock in different grades, please confirm with your child's teacher where they will be picked up.
