Bio & Education

I grew up just down the road in Allen and graduated from Allen HS in 2004 (Go Eagles!). I am a proud graduate of Stephen F. Austin State University (I bleed purple). While there I was active in Zeta Tau Alpha and Student Ambassadors and received my Bachelors degree in Communication-Journalism and Secondary Education and minored in Speech Studies. This is my eighth year teaching Journalism, Photojournalism and Yearbook. A true yearbook nerd (YERD) I have been involved with something yearbook since middle school and am looking forward to sharing our yearbook with everyone in May.
