Bio & Education

I am a recent transplant to Texas from Kansas and am excited to be a part of the Knight family! Born and raised in Kansas, I graduated high school from McPherson High School. I attended Kansas State University and received a degree in English Education with a minor in music. My husband and I then taught in Ellsworth, Kansas for four years. I returned to K-State for graduate school and just finished my Master's in School Counseling before moving to Texas.

Course(s) Taught

AP Literature
English IV

Tutorials

Monday and Tuesday Morning
Thursday Afternoon
By appointment

Activities/Hobbies

I enjoy reading and watching Netflix shows when I can find the time. I also enjoy playing my clarinet and spending time with family and friends.
