Bio & Education

I graduated from John Tyler High School in 1999 and then graduated from Jarvis Christian College in 2003 and University of North Texas in 2006 with a M.S. in Physics. I love learning about and teaching science and I am very knowledgeable in computer software and hardware. In my spare time I build computers, exercise and spend quality time with my family.

Course(s) Taught

Physics
AP Physics 2

Tutorials

Monday 4:15-4:45pm
Tuesday 8:15-8:50am & 4:15-4:45pm
Wednesday 4:15-4:45pm

Activities/Hobbies

Exercise, science, health, computer gaming, reading, movies, learning
