Bio & Education

This is my 10th year teaching and coaching high school. I grew up in a small town where everyone knew everyone. I graduated 5th in my class from Crandall High School where I played volleyball, basketball, and ran track. I graduated Summa Cum Laude from University of Texas at Arlington with a Communication degree. I can't wait to see what is in store for my 2nd year as a Knight.

Course(s) Taught

Professional Communication
