Bio & Education

Though born in Texas, I am a military brat and grew up around the world. After living in New Mexico, England, Belgium, Las Vegas, and Texas, I ultimately graduated high school from Air Academy HS in Colorado Springs, CO. I then studied Communication and English at Rutgers University and later received my M.S. in Communication Studies from the University of North Texas. I have worked in human resources, animation production, and have taught at the college and high school level. This is my third year of teaching high school, and I am very excited to be part of the IHS family!

Activities/Hobbies

I love stories of all types, so I enjoy reading, watching movies, and playing video games. Traveling is another passion, and we try to do at least one trip a year. We also love to visit local museums and restaurants. On the weekends, I usually spend time with my husband and our dog Stormy.
