### **Bio & Education**

I am a graduate of Sherman High School class of 1992. I attended Gardner-Webb University on a soccer scholarship in the fall of 92. After two years there I transferred to the University of North Texas where I received my Bachelor of Arts in Secondary Education and Social Sciences. In the fall of 1998 I accepted a teaching and head soccer coaching position at my Alma Mater Sherman High School where I taught and coached for 2 years. I took a teaching position at Creekview High School in Carrollton where I spent 15 years teaching World Geography. This is my second year at IHS and I have to say that being a Knight is great! I look forward to many great years at IHS.

### **Activities/Hobbies**

I love the outdoors! If it is being done outside count me in. Fishing and Golf are my two favorite things to do... If that is not happening I love to watch sports and movies. I also collect vintage vinyl albums from the 60's 70's and 80's. I also collect live concert DVD's from bands of the same eras. So I guess I love music as well.
