#### **Bio & Education**

I was born and raised in Nederland, a small town in south east Texas. I graduated from Nederland High School in 2001. After high school I moved to College Station where I attended Texas A&M (Whoop)! I graduated from Texas A&M in 2005 with a Bachelor of Science in Interdisciplinary Studies specializing in Special Education. This will be my eleventh year teaching in a Special Education program in Frisco ISD. I also just recently earned my Masters Degree in Educational Administration from Lamar University. I am married to my best friend, Doug. Doug is a Plano Firefighter and we live in McKinney!
