### Bio & Education

This is my third year at Independence. I am a graduate of The University of Alabama, where I studied Mathematics and Mathematics Education. While in college, I had the privilege to study abroad in Spain (where I earned a Minor in Spanish) and teach abroad in Australia! I graduated High School from Marcus HS in Flower Mound, TX. I have a passion for travel, cooking, and watching TV. This summer, I got married and moved to Plano. I can't wait to see what this year has in store!
