#### **Bio & Education**

I am beginning year 26 as a Texas public school educator, and I cannot imagine life any other way. I graduated from Diboll High School in 1985 and two years later obtained my Associate of Arts degree from Lon Morris College in Jacksonville, Texas. I later earned my Bachelor of Arts degree from the University of Texas at Tyler and went to work at Bullard ISD. My husband of 29 years and I have two awesome sons, ages 22 and 16, and a sweet, although pretty worthless dog, Spotty.

#### **Activities/Hobbies**

As stereotypical as it sounds for an English teacher, I enjoy immersing myself in a good read, but when life gets really stressful, therapy for me takes place in the kitchen where you will find me whipping up comfort foods: soups, breads, sweets, and casseroles. I also enjoy college football (we bleed maroon at our house) and watching a good baseball game.
