### **Bio & Education**

I began my career in FISD in 2006 with the opening of Wakeland High School. I am currently starting my eleventh year of teaching and am the Instructional Coach/Department Chair for English. I was born and raised in Houston, Texas and hold a B.A. in English from Texas Tech University- Go Red Raiders! My husband, Zach, is a Plano native and we celebrated our ninth year of marriage in August. We both come from families that have a love for education, teaching, and coaching. I am excited to be working with the dedicated staff at Independence High School, and I look forward to inspiring our Knights.
