Bio & Education

I have been at “HIME” since we opened and I’m truly grateful to be a part of FISSD and especially a part of the IHS family. We have great students which makes this a special place to work. I have been teaching/coaching for 17 years with different stops along the way - Carrollton, Marble Falls, Garland, Mesquite and Decatur. I have my Bachelor of Science from Cameron University and my Masters in Educational Leadership from Lamar University. I have been married 17 years to my beautiful wife Shellie and we have 3 kids that are the highlight of my life: Jaxson 12, Kenzie 7 and Lexie 6.

Course(s) Taught

In School Suspension
Football

Tutorials

N/A
