Bio & Education

I grew up in southern California, graduating from Irvine High School, and got a Softball scholarship to play at UT-Arlington. I graduated from Sam Houston State University with a Bachelor's degree in Spanish, and then earned my teaching certification for teaching Spanish, ESL, Bilingual Elementary, Health & Physical Education. I have been teaching Spanish for over 10 years. I also coached Varsity Softball in the past, along with Volleyball, Cross Country, Track, and Basketball.

My husband and I have a combined family of 4 kids, 1 that graduated from UT-Austin, another graduating from OU this December, and one at Texas A & M. The last one is in 8th grade this year.

Course(s) Taught

I'm teaching Spanish 1 this year, but I have taught all levels of Spanish during my career.
