Bio & Education

I graduated from Hebron High School in 2004 and then graduated from the University of North Texas in 2008 with a B.S. in Biology. Although I'm a total science nerd, I'm a published poet and am currently studying to obtain my personal training certificate. In my spare time I train adapted athletes how to rock climb as well as make hand decorated sugar cookies!

Course(s) Taught

Environmental Systems
Earth and Space Science

Tutorials

Monday and Wednesday afternoon from 4:15-4:45pm

Activities/Hobbies

Exercise science, health, outdoor adventures, dining, reading, movies, learning/trying, dessert making, and new things!
