Bio & Education

I was born and raised in Manila, Philippines, where I graduated high school at Southville International School. I then moved to Texas 7 years ago to begin college at the University of North Texas. I obtained my Bachelor's degree in Chemistry in December of 2015. This is my first year teaching and I am so excited to begin my career at Independence High School! I am a proud mother to a fun, smart, and loving 6-year-old boy, James. We both consider ourselves Knights and are so glad to be a part of this community!
