Bio & Education

I grew up in South Carolina, and graduated from Dixie High School. Then I attended Wofford College in Spartanburg SC, and graduated with a degree in Mathematics and Secondary Education Certification. I started teaching in the fall, and have taught 12 years in public schools. While my children were young, I taught 5 years of Pre-school part-time. This is my 3rd year at IHS!!!

I am married and have 2 children. We have a dog, Duke, and the newest addition is a hamster named Pip-squeak!

Course(s) Taught

I am currently teaching AP Calculus BC.

Tutorials

Monday 8:20 – 8:50

Tuesday 8:20 – 8:50

Other times by appointment.

Activities/Hobbies

I have 2 children, so that keeps me busy! I spend many weekends at baseball and softball games, as well as driving them places! In my spare time, I read as well as sew/quilt.

I am also involved in my church, spending time volunteering and serving.
