Bio & Education

I grew up in a suburb just outside Kansas City, MO called Lee's Summit. I graduated from Lee's Summit High School and then went on to the University of Missouri – Columbia [MIZ-ZOU!!!]. After receiving my Bachelor of Fine Arts in Graphic Design I spent a few years working in that field before going into Marketing & Sales for almost 10 years. This will be my 7th year in FISS teaching art. I have been married for almost 11 years to my wife Heather, who works in real estate for the company Aldi. We have 2 **amazing** children, our 5-year old daughter Reese, and our 3-year old son Hudson. We also have 2 Boston Terriers, Tanner & Kasey.
