Bio & Education

I am from Portland, Oregon. I graduated high school from Aloha High School. I received a Bachelor of Business Administration from the University of Portland with dual majors in Marketing/Management. After 25 years of successful careers in Marketing, Retail, Food Service, and Manufacturing industries, I decided to follow my passion and entered the teaching profession. I received my Master of Education from Indiana State University.

Here at Independence I serve as the DECA Advisor and I am a DECA alumni. I have been involved with DECA at the high school level for 4 years. In DECA, our students will have opportunities to participate in community service projects, professional development academies, and compete in business events at district, state, and international conferences.
