Bio & Education

Brittany grew up in Rockwall, Texas. After graduating from Rockwall High School she attended Texas Christian University for three years. In fall 2002 she transferred to Stephen F. Austin and graduated with a BS in Marketing/PR with a minor in Communications. In 2004, Brittany realized that teaching dance and directing a drill team was her true passion in life so she earned her teaching certificate in May 2005. Brittany was previously the JV and Varsity drill team director and dance teacher at Sachse HS in Garland ISD and directed the Swingsters until she became the Royals Director when IHS opened. Brittany has enjoyed building the Royals program as well as the dance department here at IHS the last two years and is looking forward to many more years with her Knight family!
