

**COLLIN
COLLEGE**

Dual Credit Program

Presented by

Alaina Names

***Special Admissions
Coordinator/Advisor***

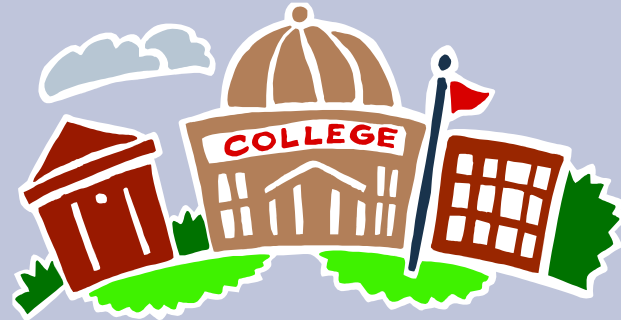

Preston Ridge Campus, Frisco

anames@collin.edu

What is dual credit?

&

- You earn high school and college credit for the same course!
 - Courses taught by Collin College professor at your HS or on a Collin campus
 - Begin a college transcript – transfer options

Academic Courses Offered:

ECON 2302	Principles of Microeconomics
ENGL 1301/1302	Composition I/II
GOVT 2305	Federal Government
MATH 1314	College Algebra

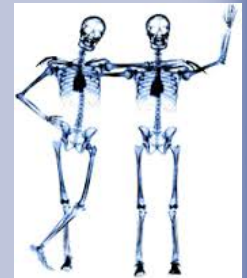

- Courses held at Frisco ISD campuses and Collin College's Preston Ridge Campus (in Frisco)
- Courses satisfy Texas Core Curriculum
- Transferable to public four year colleges/universities in Texas
 - Please check with private and out-of-state institutions

Technical Dual Credit

ITCC 2371	CCNA 3 - Sealing Networks
HPRS 1271	Intro to the Healthcare System
HITT 1305	Medical Terminology I

- Many of the technical dual credit courses are specialized. Please discuss options with your high school counselor.

TransferU Home

Welcome! We encourage you to explore the site, ask questions, and meet with the Coordinator for University Partnerships who can help you define your transfer goals.

Collin offers [associate degrees](#), core curriculum, field of study curriculum, and/or academic course work that, when selected carefully, will transfer and apply to your bachelor's degree. As part of Collin's commitment to transfer students, we have partnered with colleges and universities to establish articulation agreements; special pre-admission agreements; and degree plans/transfer guides that will provide you with degree requirements for your bachelor's degree. Collin wants to help you to become a confident and successful transfer student.

Begin your research with these links:

- [Collin Higher Education Center \(CHEC\)](#)
- [Pre-admission Partnerships](#), [Transfer Guides](#), and [University Special Events](#)
- [My Future TX](#)
- [Generation TX](#)

The best way to make the most of your college experience is to make the most of it from the beginning. For Collin College Admissions, Registration, Schedules, and other information, please visit <http://www.collin.edu>.

If you need transfer assistance, please contact Kandi Hoyer-Nixon, coordinator of university partnerships, at 972.985.3734 or khoyer@collin.edu or schedule an appointment by clicking [here](#).

Dual Credit Eligibility

- Students complete the **entire** admissions process plus a permission form for registration at Collin College
- Available with permission from your high school each semester for every course
- Must meet college readiness standards as defined by Texas Success Initiative (TSI) (more details to follow)
- Students must earn a C or better in each course to maintain participation in the program

Things to consider...

- **HS and Collin calendar may be different**
 - You follow the Collin calendar
 - Holidays may vary
 - Collin College may hold classes at the high school if the high school building is open, even when high schools are not in session (ex: teacher work day)
 - If the high school site is not available, professors may make arrangements for online assignment or hold class at Collin campus
 - Weather closings--if the location where your class is held closes, you do not have class

Things to consider...

- **FERPA** and Personal Responsibility
 - Family Educational Rights and Privacy Act
 - Federal law that ensures privacy of student educational records (begins when student starts college regardless of age)
 - Collin cannot share grades, course schedules, test scores, etc. with parents
 - Students' opportunity to gain new responsibilities and act on his/her own behalf

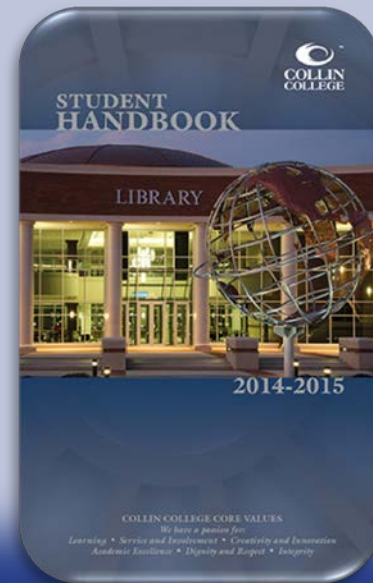

Things to consider...

- **Collin College deadlines for Drop/Withdraw**
 - Listed in Collin College registration guide
 - **Drop** is before the term's census date and will not appear on college transcript
 - **Withdraw** is after term's census date and will appear as "W" on college transcript, does not affect GPA
 - Must complete paperwork on Collin campus
 - Impact on graduation
 - Discuss with your HS counselor

Things to consider...

- **Collin College Student Handbook**
 - You are a college student!
 - Abide by all policies, procedures and decisions of the college as outlined in the current *Student Handbook* (available online)
 - Dean of Students
 - Plagiarism/Discipline

I am ready to sign up for
dual credit ...

What do I do now?

Start with your
High School Counselor!

Checklist

Admissions:

1. Submit an Application
2. Submit Completed and Signed Permission Form
3. Submit Official HS Transcript
4. Submit Proof or Request for Exception - Bacterial Meningitis Vaccination

Testing:

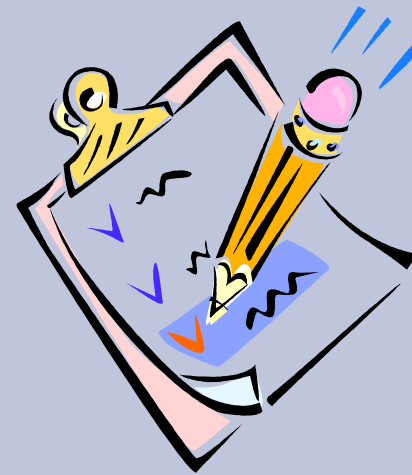

5. Complete the TSI requirements

Registration:

6. Register Online via CougarWeb

After Registration

7. Pay Tuition
8. Buy Books
9. Get Student ID and Parking Sticker

1. Application for Admission

WHEN do I apply?

- You may apply online beginning **NOW** for Fall 2015!
- Must be complete before anything else can occur at Collin.

HOW?

- Complete online with the Texas Common Application at ***ApplyTexas.org***

Questions on ApplyTexas.org

- Create an account/profile and then an application
- Select two year college application and Collin County Community College District
- Answer YES to “will you be taking courses prior to high school graduation?”
- Select anything for “Major”
- List your SSN if possible
- For “Admissions Basis” select Dual Credit
- Residency/tuition is decided based on your answers on the application and the documentation you provide

-Questions? Please contact our Admissions and Records office

2. Concurrent Permission Form

COLLIN COUNTY COMMUNITY COLLEGE Concurrent Enrollment Permission Form

This is to certify that: **Student's Name**
_____ is enrolled as a student at: **Name of High School**
_____.
Collin CWID Number or Date of Birth Last First MI High School/Home School

This area must be completed by school official (often the HS counselor) identifying approved course(s)

Permission has been granted by the above mentioned high school to concurrently enroll in the following course(s):

ENGL 1301

Course(s) ex. GOVT 2305

This student ☒ will be receiving dual credit OR ☐ will not be receiving dual credit for the above course(s).

Please check: Registration at Collin is for the Fall ☒, Spring ☐, Summer ☐ term 20 **15**.

High School Counselor Signature

Signature of School Official

Title

Date

This area must be completed if student is approved for three or more courses

This student has received approval for an overload (Fall/Spring only):

High School Principal Signature (additional signature required for three or more)

Signature of School Administrator ex. Principal, Assistant Principal

Title

Date

3. Official High School Transcript

- Collin needs the most recent high school transcript for every student.
 - Does not have to include final spring grades
- May include test scores for TSI exemptions/waivers.
- May include vaccine records.
- Follow your high school's specific steps to request one.

4. Bacterial Meningitis Vaccination

- State Law (SB 1107) requires all students under the age of 22 entering a higher education institution to provide proof of having the vaccine or document an exception or exemption.
- This is an admissions requirement for Collin College and should be completed before registration.
- May sign Request for Exception if taking courses on HS campus only (purple form in packet).
- <http://www.collin.edu/meningitis> for more information.

5. Texas Success Initiative (TSI) Assessment and Exemptions

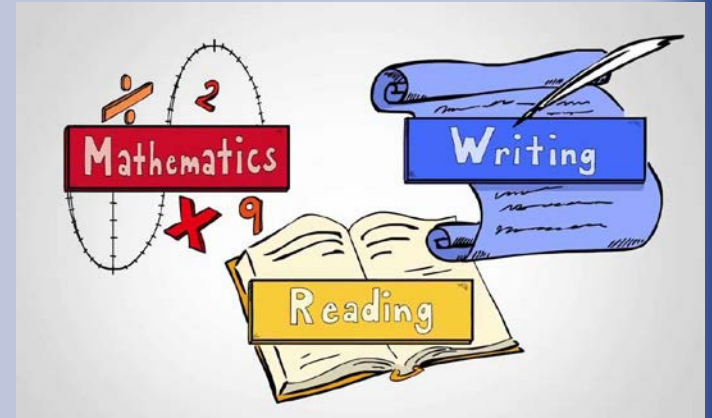

TSI Exemptions

Exemption Scores (minimum scores listed):			
Test	Combined/Composite Requirement	Exempts TSI Reading & Writing	Exempts TSI Math
SAT I	Combined Reading and Math: 1070	Reading: 500	Math: 500
ACT	Composite: 23	English: 19	Math: 19
STAAR	N/A	Level 2 English III: 2000 in Writing and 2000 in Reading	Level 2 Algebra II: 4000

- ACT/SAT scores must be sent from the testing source directly to Collin College if not provided on your HS transcript
- STAAR scores will be on your high school transcript if applicable

Texas Success Initiative (TSI)

- The TSI is designed to measure competency in **reading, writing, and mathematics**. Students need a status in all subject areas.
- It is used for placement purposes.
- Students must be at college level in reading and writing for the majority of courses.
- Most math and some science and technical courses require college level in math.
- See the college catalog for placement and prerequisite information.

TSI: What will I need to do?

- Complete Pre-Assessment Activity (PAA) online and print certificate of completion (a link to the PAA will be emailed to you at the time of admission)
- Print testing referral emailed to you at the time of admission or obtain a testing referral from Admissions and Records or Academic Advising with a photo ID.
- Pay the cashier, cost is \$29.
- Walk in to test with any campus Testing Center. You should bring your testing referral, receipt, a picture ID, and PAA certificate of completion.
- See an Academic Advisor to review your results.

What if my TSI scores are low?

TSI Minimum Score Requirements		
Reading	Writing	Math
351	Essay score of 5 or Essay score of 4 and multiple choice of 363	350

- You only need college level placement in the areas needed for your course (e.g. ENGL 1301 requires college level in reading and writing but not in math)
- Mandatory Advising (MA) hold
 - Will be on your account if you place below college level in at least one area
- If you do not place at “college level” in the areas required for your course that means you need to focus on your high school work at this time.

Checklist Review

Admissions and Testing Complete!

- ✓ 1. Submitted an Application
- ✓ 2. Provided Completed Concurrent Enrollment Permission Form
- ✓ 3. Submitted Official High School Transcript
- ✓ 4. Submitted proof of Meningitis Vaccination or documentation for exception or exemption
- ✓ 5. Met the TSI requirements

Now you are ready for registration (step #6)!

Concurrent/Dual Credit Enrollment Procedure
Students must act on their own behalf. Photo ID is required for all transactions for the program apply; please consult the Concurrent/Dual Credit Enrollment Procedure at www.collin.edu/dualcredit.

The following steps must be completed sequentially.

- ☐ **1. Application**
 - Apply to Collin College online at ApplyTexas.org at least two weeks prior to registration (be sure to complete the profile and application).
 - You will receive an email from admissions@collin.edu when your application has been received (this could take a week or longer during peak periods). It will provide your Card number and list items you need to turn in.
- ☐ **2. Concurrent Enrollment Permission Form** (returning students pre-approved for concurrent enrollment)
 - You must have a completed concurrent enrollment permission form on file with the Admissions and Records Office for each semester. Please visit with your HS counselor for approval and to pick up the form.
 - Your high school may provide directly to Collin College if you return it to them by the end of the school year. You may also provide it to Admissions and Records or a Special Services Coordinator/Advisor.
 - The form must be signed by a high school official (most commonly high school principal or counselor). If the student is under 18, a parent/guardian must also sign if student is under 18. In addition, a principal or counselor must approve for an overload.
- ☐ **3. Official High School Transcript**
 - Students are responsible for providing an official high school transcript to Collin College. Please visit with your HS counselor for specific steps to request one. If needed, you can submit in person in person to the Admissions and Records Office.
 - The transcript may include test scores that qualify you for a TSI exemption or waiver. Please provide official scores on transcripts. Students may need to request official scores from the high school.
- ☐ **4. Bacterial Meningitis Vaccine**
 - Submit proof of vaccine or exception form if taking classes on a HS campus or at a community college. Please visit with your HS counselor for approval and to pick up the form.
 - Other exceptions and exemptions are available. Please visit www.collin.edu/meningitis for more information.
- ☐ **5. Texas Success Initiative (TSI) Assessment**
 - All students must test or prove an exemption/waiver. If you believe you have a TSI exemption, please provide official scores and see Admissions and Records. See back for more information.
 - To complete testing at any Collin Testing Center, you must:

When steps 1-4 are complete, you will receive another email from admissions@collin.edu providing your log-in information for CougarWeb.

**All home school students must complete step 5 with a Special Admissions Form.

6. Register for Courses Online

- Go to Add or Drop Classes once logged into **CougarWeb**
 - Select **Fall 2015 Credit** term
 - enter your specific CRN for your designated course as listed on your high school course sheet
- Use Look Up Classes to enroll in general population courses on a Collin campus
- Detailed instructions can be found on your high school course sheet

Enrollment Verification

- Must enroll in the subjects on your permission form
- Prefer another subject? Turn in a new form!
- Limitations:
 - No more than two courses per semester
 - Principal approval required for three or more
 - No 3 week May, PHED, or developmental level courses

Fall 2015 Important Dates

- You can apply online at ApplyTexas.org beginning now!
- Registration is June 2nd through July 29th online.
- Registration should be complete by Wednesday, July 29th at 8 p.m.
- Fall semester is August 24th – December 13th

7. Pay Tuition

- \$39 per credit hour for students residing in Collin County
 - \$119 for a 3 credit hr course
- \$78 per credit hour for students residing out of Collin County
 - \$236 for a 3 credit hr course
- \$138 per credit hour for out of state or out of country students
 - \$416 for a 3 credit hr course
- Tuition waived for students qualifying for free or reduced lunch at the high school

*Total cost per 3 credit hour course includes a \$2 per semester student records fee

*All fees subject to change upon approval of the Collin Board of Trustees.

8. Get Books

- You have to buy books in college!
- You can find out which books you need by going online to the bookstore's web site a couple of weeks before the semester begins.
 - Select Preston Ridge Campus and search for your specific course section (e.g. ENGL 1301 F01)
- You may purchase books from your preferred retailer.

DUAL CREDIT AND CONCURRENT ENROLLMENT

Collin College / Getting Started / Dual Credit and Concurrent Enrollment / Dual Credit

Dual Credit and Concurrent Credit for High School/Home School Students

What is Dual Credit?
High School students can take Collin College courses and receive credit both for their high school diploma and their college degree. Courses may be taught on the high school or college campus by Collin College professors.

What is Concurrent Credit?
This is when a student earns college credit only for a college course taught on the college campus.

High School/Home School Official approval is required for both dual and concurrent credit.

College credit will transfer to most colleges or universities. Please visit Collin's [TransferU](#) for more information.

Who can participate?
Students enrolled in a public high school, private, charter or home school who have at least junior year high school standing can participate. Students must also have permission from the appropriate high school officials, an A/B grade point average, meet Texas Success Initiative standards and demonstrate the maturity level needed to be successful in college course work.

Enrollment Procedures and Requirements
Students complete the entire admissions, testing, and registration process at Collin College. A photo ID is required for all transactions on campus. Start the process by visiting with your high school counselor to discuss eligibility and class schedule. After meeting with your counselor you can:
