

Yearbook and School Photos Winter Update

Yearbook Sales

Yearbook sales officially closed on Feb. 2. It may be possible to purchase case lot overruns through Jostens at www.jostensyearbooks.com. If you need to check on a yearbook order, please contact Jostens at 1-877-767-5217.

If we receive any of the overruns in May at distribution time, they will be sold for \$80, cash only during distribution hours. Watch here for more information about distribution closer to that time.

2019 Senior Photos and Recognition Ads

Legacy Studios is our official vendor for senior photography and they can handle all your senior photo needs. Seniors are responsible for taking their yearbook pose photo during the summer. We will send out more information in May, but if you would like to contact them sooner regarding summer photo sessions, their number is **1-800-348-4360**.

Class of 2019 Senior Recognition Ads will go on sale July 1 and information will be sent to parents about this opportunity in May. The ad deadline will be in October.

2019 Underclass Photos

Centennial takes our underclass photos the first week of school during one of our core classes. Further information about dates and which classes will be sent to parents during the summer.
