## About Our School

Centennial High School has set a high standard of excellence. CHS has an enrollment of 2,047 students in grades 9-12. CHS is accredited by the Texas Education Agency and has earned a rating of Exemplary. Ninety percent of the student body is college-bound. Fifty-five percent attend four year schools, and thirty-five percent attend two year schools. The senior class of 2017 (535 students) earned scholarship offers totaling more than \$16 million. While students are encouraged to volunteer in the community, community service hours are not required for graduation.
