New Student Enrollment

To enroll a new student at Centennial High School, you must provide the following:

- A copy of the withdrawal form from the previous school
- A copy of the most recent report card
- A copy of the unofficial transcript
- A copy of vaccination records
- Information about special programs the student was in, such as ESL, Special Ed, 504, etc.
- A copy of the student's birth certificate and social security card
- A copy of the parent or guardian's photo ID
- Proof of residency:

Apartment: lease in the parent's name with the students listed under "Other Occupants". A utility bill (gas, water or electric) in the parent's name must be provided within six weeks of enrollment.

House: current utility bill (water, gas, or electric) in the parent's name showing the address. If house is under contract, the contract will suffice, but the utility bill in the parent's name must be turned in with six weeks of move-in.**

*** What if the lease/utility bill is not in the parent's name?*

If the student and parent live in another family's home and the bills are in that family's name, you will need to complete an Affidavit of Residency. The person whose name is on the bill will need to come to school to complete the affidavit with you in the presence of a notary. In an apartment, the parent and student MUST be added to the lease under "Other Occupants".

What if the student does not live with the parent?

If the student does not live with the parent, fill out Guardianship papers, have them notarized and bring them with you to your enrollment appointment. If the parent of the student lives with Frisco ISD, the student MUST attend the school in the attendance zone of the parent – even though the student does not live with the parent.
