### **Bio & Education**

Mr. Bernet is a graduate in Radio-TV-Film from the University of Texas at Austin. He spent over twenty years in the video production business as a producer, videographer, and editor. He has spent the majority of his career producing commercials, educational and training programs, and producing voice-overs. As an educator, Mr. Bernet brings real world experience and expectations to students who are interested in a career in new technology and digital communications.
