Bio & Education

Hi y'all! I am a native Texan and a 20 year Frisco Resident. I am married to Julia Chalker who teaches at Liberty High School. We have four children who attend Vandeventer Middle School and Liberty High School. I have worked as a photographer, furniture manufacturer, project manager, and communications manager among other roles. In 2006 I earned my Bachelor's of Administration degree from LeTourneau University and began pursuing a career in education in 2009 after working at EDS/HP for over 10 years. It is an honor and a privilege to be a teacher here at Frisco High School. I am grateful to be a part of this amazing organization.
