By appointment: 8:00 – 8:45AM and 4:10-4:55PM All Other Days/Times

All Tutoring Locations are F203

Activities/Hobbies

Chemistry is NOT my favorite subject...it's just the subject I know the most about. My favorite subject is educating students.

I enjoy reading, sketching, writing, cycling, disc golf, guitar, singing, car repair/restoration, peering through telescopes, dancing madly and badly, and acting. And music. Oh...and music. LIVE. In small venues with my favorite people.
