Bio & Education

My wife Janie and I have been married for 36 years and have two children and two grandchildren. I graduated from Texas Tech University with a Bachelor's of Business Administration. During my first career, I had the opportunity to live in Venezuela for six years and that is when I decided to become a Spanish Teacher. My graduate degrees are from Arizona State University. Activities/Hobbies

My two grandchildren, Luna and Taiyo, are both my favorite activity and favorite hobby. Of course they are incredible! We also enjoy reading, spending time with friends and traveling. One of my most memorable travel experiences was watching the sun rise from the top of Mt. Fuji.
