Bio & Education

This is my 11th year teaching, all of them with Frisco ISD. I graduated from UTD with a degree in Microbiology. I also have a Master's in Education from UNT. In addition to teaching PAP Biology, I also serve as the Department Chair/Instructional Coach for the Science Department at FHS. I celebrated my 19th wedding anniversary this year and have two awesome kids. A daughter in 6th grade at Vandeventer Middle School and a son who will be a Freshman at Liberty.

Tutorials

My tutorials for will be held in B205 with Mrs. Landry. Mrs. Davis and Mrs. Moran will also often be available for pre-AP tutorials. Tutorial help is available most mornings and afternoons, except for Friday mornings during faculty meetings. Students are encouraged to seek help from any pre-AP biology teacher who is available. Please speak with me in class or email me directly to arrange a specific tutorial time with me if needed.

Activities/Hobbies

I am a true science geek and am interested in all things science.

I have 3 awesome dogs.
