Bio & Education

I graduated from Texas Tech in May of 2001. I have been married to my wife, Melody, for 13 years. Melody is a teacher at Frisco High School as well. We like to be on the same campus so we can invest in the same kids. We have a five year old, Braxton, who starts Kindergarten this year at Spears. In addition to teaching Algebra 2, I coach football and basketball at FHS as well.
