Bio & Education

- *This year marks my 24th year of teaching. I have taught World Geography for 19 years with the last 13 being at Frisco High School.
- *I graduated from East Texas State University in 1991.
- *I am married with four children (two sets of twins) that are 25 and 16.
- *This is also my 21st year to be a student council advisor. I love helping students serve the school and community while developing their leadership skills.
- *In my free time (which is very rare) I love to read, garden, and sew.
