Bio & Education

This is my 5th year at Frisco High and I'm excited for a new year. I graduated from Hardin Simmons University in Abilene, TX. I got a B.B.S. in Secondary History Education with a minor in Political Science. I serve as coordinator/trainer for the Olweus Anti-Bullying program and I am co-coaching social science for our FHS AcDec team with my husband who is also a history teacher at FHS.
