Bio & Education

I graduated from Hardin Simmons University in Abilene, TX (GO Cowboys!) This is my third year teaching in the district. My wife teaches at FHS as well. We have a son that our students get to hear our fun stories about in class sometimes. There are several family members on both sides that are in education as well, so we have a huge passion for teaching. I am a born and raised Texan and, as such, I am a fan of all Dallas area major league teams.
