Bio & Education

I am from West Texas and the drawl proves it every day. I have been teaching for 27 years with 23 of them at THE Frisco High School. My wife works as Boals Elementary as a CALT which means she works with the kiddos that have dyslexia. I have two children Madi 19 who is attending North Texas State and Ally who is in 3rd grade at Curtsinger. I am a below average golfer who enjoys torturing myself whenever I can.
