Bio & Education

I am very excited to join the Raccoon family for my first year at Frisco High School! While new to Frisco, I am a Dallas native and have taught in several area schools. My husband & I have two children (7 & 11) who keep us busy and entertained. I graduated from Texas A&M (Gig'em Aggies!) and enjoy reading, history, learning about other cultures, listening to live music of all kinds, and watching scary movies - especially campy zombie flicks.

Course Taught

A1: AP Human Geography
A2: AP Human Geography
A3: AP Human Geography
A4: Conference Period

B1: AP Human Geography
B2: AP Human Geography
B3: Conference Period
B4: AP Human Geography
