Bio & Education

Hi y'all! I am a native Texan and a 21 year Frisco Resident. I am married to Julia Chalker who teaches at Liberty High School. We have four children: two at Liberty High School and two in College. I have worked as a photographer, furniture manufacturer, project manager, and communications manager among other roles. In 2006 I earned my Bachelor's of Business Administration degree from LeTourneau University and began my career in education in 2009 after working at EDS/HP for over 10 years.
