Bio & Education

My family and I moved to Frisco in 2002. My husband, Frank, is also a teacher at FHS. We have two sons: Frank, who is a senior at Texas A&M University, and Aaron, who is a senior at Wakeland High School. We love to attend sports event for football, volleyball, basketball, and wrestling. In the summer we like to take our Jeep to the mountains of Arkansas, Colorado, or Utah.

I received my bachelor's degree in psychology from TEXAS A&M and my master's degree in English from TEXAS A&M–Corpus Christi. I have taught high school English for eighteen years.

Course Taught
