IMPORTANT INFORMATION

MARK YOUR CALENDARS

The Counselors will be hosting **HOT TOPICS!** throughout the new school year. These presentations will be over important information parents of high school students and students need to know.

(These dates are subject to change so please refer to the FHS website or future newsletters to confirm dates and time.)

ALL SESSIONS WILL BE HELD IN THE FHS LIBRARY AT 8:15 A.M.
Students and Parents are welcome!

We hope to see there!

FRIDAY, APRIL 26, 2019
GOT ACCEPTED INTO COLLEGE...NOW WHAT?

SCHOLARSHIP INFORMATION

1- NTLAPA'S SCHOLARSHIP

Apply For the NTLAPA Scholarship Fund

For more info visit
www.ntlapacf.org

We have established a Scholarship Fund to help underrepresented Latin/ Hispanic students in their medical education through scholarship, encouragement and support.

NTLAPA Scholarship helps College and Medical School Students

COLLEGE INFORMATION, VISITS AND SUMMER PROGRAMS

1 – OKLAHOMA STATE UNIVERSITY

New Student Orientation Registration Opened Feb. 1

New Student Orientation is a required summer program which previews student life in and out of the classroom. Students will meet with academic advisers, confirm their academic college and major, enroll in classes, meet other new students and learn about campus resources. Students may have the option to take placement tests. Please note, **not every NSO program has this option**. We ask that your students take placement tests at least 48 hours prior to their NSO program.

Sign-up for Summer/Fall 2019 New Student Orientation sessions opened Feb. 1 at newstudents.okstate.edu. Freshman orientation is required, and is a fun-filled and informative introduction to Oklahoma State University! Encourage your future OSU students to register for their summer orientation date as soon as possible to secure the date of their choice.

For more information please visit <https://go.okstate.edu/>

2 – WICHITA STATE UNIVERSITY

ENCOURAGING RISING SENIORS TO APPLY OVER THE SUMMER

Rising seniors can [apply](#) for the Fall 2020 semester beginning on July 1. We encourage students to take home transcripts at the end of their junior years so that they can more easily complete applications (and save you the trouble of sending us their transcripts later!). Students who apply before December 1 of their senior year will also automatically be considered for our [Freshmen Merit Scholarships](#). This year, we have offered more than \$7,500,000 in Merit Scholarships to incoming students - Don't miss out!

JOIN US FOR AN ENGINEERING OPEN HOUSE

On May 10, high school students interested in Engineering are invited to campus for our College of Engineering's Open House. This program costs \$5 and includes a tour of our campus's research labs, a chance to check out current students' projects, lunch, a t-shirt, and more! Space is limited so interested students should [register](#) soon!

2 – NATIONAL BREAST CANCER FOUNDATION + FISD – AMBASADOR SUMMER PROGRAM

We have an upcoming opportunity for students at Frisco High School in Frisco ISD:

To join our NBCF High School Ambassador Program. This program is exclusive to junior and senior Plano and Frisco students who are self-starters, have a strong desire to help others, and are passionate about leading their schools and communities through breast cancer awareness and education.

To apply, students can visit this link here: <https://www.nationalbreastcancer.org/about-nbcf/high-school-programs>

Ambassador Program Deadline: **May 25**

We are thrilled to be able to extend the program to more students this next year, and we can't wait to achieve even more in our mission of Helping Women Now with the talented students of Frisco ISD.

For questions about these programs, please contact:

Michelle Romanczukiewicz, *Development Manager*

National Breast Cancer Foundation, Inc.

2600 Network Blvd, Ste 300 | Frisco, TX 75034

nbcf.org | 972.248.9200 | Schedule a [call](#) with me!

3 – TSU – SUMMER MARITIME ACADEMY

The Department of Engineering at Texas Southern University , in collaboration with the Army funded UNITE program, will host the Annual Pre-College Engineering Summer Program. The program encourages and prepares students to pursue a college education in engineering and related fields, as part of a national initiative to develop a talented and trained STEM workforce. Application is **FREE**. Application forms are available online at <http://engineering.tsu.edu>

Application Deadline: **May 31, 2019**

PROGRAM DATES: June 24, 2019—July 19, 2019

TIME: 9:00AM– 2:00PM

STIPEND: \$400.00 (Full Attendance Required)

LOCATION: TEXAS SOUTHERN UNIVERSITY MAIN CAMPUS

For more information email Marcia Robin-Stoute at Robinms@tsu.edu or Marcia.Robin-Stoute@tsu.edu

If any assistance is required please feel free to contact me at Robinms@tsu.edu or Marcia.Robin-Stoute@tsu.edu

Application Link: <https://goo.gl/forms/A0P52x7ACalqtmZP2>

5 – SUMMER PROGRAM UMASS AMHERST

Summer Programs UMassAmherst

Summer Pre-College 2019

Residential academic and research programs for high school students

Program Overview:

UMass Amherst is a top public research university located in the scenic Pioneer Valley in Western Massachusetts. Pre-college programs are designed to incorporate all the major elements of a college experience. At UMass you can expect premiere academics taught by University faculty, accommodations in the new Commonwealth Honors College residence halls, amazing food from our award-winning dining services, and much more.

Program topics at UMass Amherst Summer Pre-College represent the academic and research scope of the University. From Sports Broadcasting to our Engineering Institute and 6-week Research Intensives, our goal is to offer relevant and engaging academic opportunities to motivated high school students.

Evenings and weekends include social events, free time to explore campus and hang out with friends, workshops, and field trips. Our residential staff of live-in undergraduate students function as mentors and activity facilitators, and maintain a safe and inclusive living space.

Participants Will

- Earn college credit and work closely with UMass faculty
- Enjoy events and field trips to destinations such as Six Flags and Mass MoCA
- Broaden their academic and social perspectives by living in a college setting

// 2019 LAB EXAMPLES

Please visit our website for an up-to-date list of available labs

- BIOLOGY : Using Zebrafish to Study Brain Development and Neural Stem Cells
- BIOLOGY : Modeling Stem Cell Cancer in a Multicellular Animal
- BIOLOGY : Fungal Comparative Genomics
- BIOMEDICAL : Antimicrobial Resistance Evolution and Drug Development
- ECOLOGY : Bird Conservation in Suburban Wilds
- FOOD SCIENCE : Food & Environmental Chemical Impact on Development of Obesity
- NEUROSCIENCE : Cognitive and Developmental Neuroscience
- NEUROSCIENCE : Decision Making in the Brain
- NEUROSCIENCE : Introduction to Cognitive Neuroscience of Sleep
- PHYSICS : Atomically Thin Two Dimensional Crystals
- PSYCHOLOGY : Infant Cognition

Apply

Who

We accept applications from rising sophomores, juniors and seniors in high school.

Eligibility

Students should have grades of B or above in mathematics and science courses. Admissions decisions are made on a rolling basis, but it is best to apply early as programs fill up quickly.

How

Visit Umass.edu/summer and click Apply Now. The following is required:

- Completed Summer Programs application
- Written Statement of Interest
- Unofficial high school transcript
- Letter of recommendation
- \$35 non-refundable application fee
