Bio & Education

I have working in special ed. as a paraprofessional since January 2011. I am married and have 2 children who are both FHS graduates. I was born and raised in West Virginia. My bachelor's degree is from West Virginia University in biology. My master's degree is an MBA from the University of Dallas with an emphasis in engineering management. I worked in the defense industry for almost 20 years before going into education.

Course Taught

I monitor and assist students in their classrooms throughout the day.

Tutorials

I do not have tutorials, but am available to assist students before and after school.

Activities/Hobbies

I work with the Academic Decathlon team as a volunteer coach. I am also active in Boy Scouts at the unit and district level. I love to read and do craft projects. My family bought a bookstore and coffee shop in Buffalo, TX this past summer.
