## Bio & Education

This is my 11<sup>th</sup> year teaching biology and my 4<sup>th</sup> year in Frisco ISD. I graduated from Texas A&M University in 2002 with a B.A. in Biology and from the University of North Texas with a M.Ed. in Curriculum in Instruction in May 2012. In addition to teaching preAP biology, I serve as the Science Department Chair/Instructional Coach and sponsor National Honor Society. I am also the proud mother of a 6<sup>th</sup> grader at Hunt Middle School.

## Course Taught

A1: Instructional Coach  
A2: Conference  
A3: PreAP Biology  
A4: PreAP Biology

B1: PreAP Biology  
B2: Instructional Coach  
B3: Conference  
B4: PreAP Biology

## Tutorials

Tutorials for preAP biology will be held in B205 with Ms. Gates and Coach Hodapp and in B201 with Mrs. Moran. Tutorial help is available most mornings and afternoons, except for Friday mornings during faculty meetings. Students are encouraged to seek help from any preAP biology teacher who is available. Please speak with me in class or email me directly to arrange a specific tutorial time with me if needed.

## Activities/Hobbies

With my school responsibilities and my daughter, I rarely have free time, but when possible, I enjoy spending time doing just about anything with family and friends.

Frisco High School
