Bio & Education

I'm a 2002 Frisco High School graduate and have lived in Frisco my entire life, with the exception of 3 ½ years, which were spent pursuing a business degree at Texas A&M University in College Station, TX. I graduated from Texas A&M in December of 2005, majoring in Marketing, minoring in Psychology and with an International Certificate of Business. After graduating, I worked for Fujitsu Network Communications in Richardson for 2 ½ years before deciding to change careers and become a teacher. This is my 6th year teaching at Frisco High. My family includes my wonderful husband, Jim and my 10 year old yorkie, named Sadie.
