Bio & Education

I was born and raised in Frisco, Texas, as was my mother and my grandfather before her, so I love this city. I also love to travel and experience different cultures and even lived in Spain after I graduated college. I am extremely close with my family, and I have four sisters; all of us graduated from FHS. My favorite thing to do is laugh.

Course Taught

A1: World Geography
A2: World Geography

Tutorials

- 🐾 Tuesdays from 8:25-8:50am in C104
- 🐾 B Days at 4:10pm in C104

Activities/Hobbies

- 🐾 I like to think I have an eye for photography, but it's also quite possible that I might be terrible. Either way I like to try my hand at it.
- 🐾 I love to have a reason to throw a party; decorating and entertaining are my love language.
- 🐾 I love Halloween way too much for an adult.
