Choir Earns Sweepstakes:

April 10, 2015

It has been another fantastic year for the FHS Choirs! Both the FHS Varsity Mixed Choir and the Non-Varsity Treble Choir earned a Sweepstakes Award at Choir UIL Concert and Sight reading Competition. This is the highest possible award that students can achieve at this competition. Several students will also be advancing to State Solo and Ensemble Competition in May. These students are Caitlyn Alvarez-Htut, Chris Bain, Elijah Boydston, Vivian Cassina, Madyson Cavaness,

Tori Corbo, Lauren Davidsen, Chloe Drummond, Abbey Hughes, Mazmu Islam, Hayley Jacobs, Allison Jesse, Lexi Murphy, Shreenidhi Ramakrishnan, Wyatt Ramsey, and Kailey Rice. This is more students than the FHS Choirs have ever had advance to state!

Are you interested in being a part of the award-winning FHS Choir Program? If so, our choir program is open to anyone interested in learning how to sing, regardless of experience! However, any student

interested in enrolling in any of the select ensembles, must audition for the directors. Students that are not currently enrolled in a choral ensemble this semester need to stop by the choir room sometime in the next couple of weeks talk with Mrs. Bradstreet or Mrs. Williams so that they can insure they are placed in the correct ensemble. We hope to see you next year!
