

## Yearbook student Wins NATIONAL Contest:

Congratulations to FHS Yearbook Student Aaron Martin. Aaron is the Grand Prize Winner in the Jostens/Wolfe's Camera Photo Contest! His Photo titled "Snapshot From Life Long Memories" was one of approximately 5,000 photos submitted by talented students across the country. One of the reasons that this photo was chosen to be the Grand Prize Winner was that Aaron focused on the fans to capture a moment that

many photographers would have missed. With this winning entry, he was awarded \$1000 dollars, and a Nikon SLR camera. Congratulations again Aaron Martin, and to your advisor Toni Marsh for your hard work!

## Golf District Champs:

Congratulations to the varsity boys golf team on their district championship for the second year in a row. They won at Bridlewood this past Monday and Tuesday and will be advancing to the regional tournament next week in Fort Worth. Team members include:

Brandon Smith, Travis Haworth, Chase Ybarra, Andy Barsch and Colton Coursey. The district champion individual medalist is Brandon Smith. Making first team all district was Brandon Smith and Travis Haworth. Second team all district was Chase Ybarra and the

number one Frisco High School varsity girl team player making second team all district was Hanna Thalen. Congratulations to these players on this high honor and best of luck at regionals next week, varsity boys!

## FHS Students Compete in State VASE Contest:

Visual Art Scholastic Event [VASE] only takes place in Texas and it is the only event of its kind in the world. Students in the 20 Regions of Texas are invited to participate in their Regional Event. The students are interviewed and their artworks are judged by certified, professional TAEA jurors. A Rating IV is the mark of a superior, exemplary, work of art. This qualifies the student to be entered in to the VASE Area Event. Next, students qualify to move on to the

State Event which is held annually in April and sponsored this year by Bryan ISD. While the artworks are being juried at State, the students are participating in professional workshops, demonstrations, and outdoor sketching opportunities. This last weekend Joseph Kim, Alicia Yu, and Sloan Moore's artworks competed at State VASE. Each artist medaled at state receiving the exemplary level rating, IV. Congratulations

go to these talented artists and you can view their artwork in the hallway outside the gym.

## FHS Award Winning Choirs:

It has been a very successful spring semester for the FHS Choirs! In January, Ellora Lattin was the first female ever to make the Texas All-State Choir from FHS. In March students enjoyed an amazing Spring Choir Trip to San Antonio and brought back a superior rating and were also awarded "Best in Class" at the festival. They also performed at the gorgeous Meyerson

Symphony Center and brought home 2 superior rating trophies along with an "Outstanding Performance" trophy for the Varsity Women's Choir. The highlight of the semester, however, was their performance last Tuesday at Choir UIL Concert and Sightreading, which is their most important competition of the year. Both the Varsity Women's Choir and the Varsity Mixed Choirs brought

home Sweepstakes trophies, the highest possible award. FHS is the only school in Frisco ISD to bring home 2 UIL trophies this year. Mrs. Bradstreet and Mrs. Williams are so incredibly proud of our amazing choir students at FHS! If you are interested in joining the award winning FHS Choir Program, please stop by the Choir Room to talk with Mrs. Bradstreet or Mrs. Williams. It is a great place to be!
