## 9<sup>th</sup> Grade Football DISTRICT CHAMPS:

November 7, 2014

The FHS Freshmen team played a tremendous season and improved greatly over the course of the year. After starting off shaky and losing their first 2 non-district games, they were able to catch their stride and finish off the year as

district champions. Their only loss during district was to a mixture of freshmen and sophomores from Independence High School 38-36. Both offensively and defensively the team showed great resolve and tenacity as the

year went on and was able to establish their dominance over other teams. Congratulations to the 9<sup>th</sup> grade team on their district championship!

## Teen Leadership II:

The Teen Leadership II classes have been going off campus and helping in our local Frisco community. The goal of the class is to better experience servant leadership first hand and to have a part in making the surrounding community we live in a better place. Some of the locations visited include Bright Elementary, Allen Elementary, Prairie Estates Nursing Home, Frisco Boys and Girls Club and Frisco Family Services. Most recently, at Frisco Family Services, the students helped work in the food pantry and were surprised to see how much work goes on behind the scenes. The students helped to sort, tag and shelf food for the local customers. The students were somewhat saddened by the lack of food on the shelves and are now wanting to donate items themselves. During this holiday season it is important to remember the Frisco Family Service food pantry if you have any extra cans or items to donate.
