PSAT Offered October 15, 2014:

All 9th, 10th and 11th grade students will take the PSAT on Wednesday, October 15, 2014. This will be given in the morning 9 a.m. - noon. The students will resume their regular B day schedule from 12:15 p.m. - 4:10 p.m. Calculators will be provided for all 11th grade students. Ninth and 10th grade students will need to bring their own to use on the test. Students should visit the FHS website to see some questions

ahead of time they will need to answer on this testing day. Scientific or graphic calculators are acceptable, cell phones and/or electronic devices are not allowed. Students who take the PSAT before taking the SAT tend to score 136 points higher on the SAT. Juniors also have a chance to earn National Merit Recognition by doing well which could lead to scholarship opportunities. On October 15th, our FHS seniors will

have late arrival and no morning CTE classes will be held. Seniors, it is important to remember that the tardy bell for 3rd period rings at 12:10, make plans to arrive at FHS in the front of the school so that you are on time to your 3rd period class. If you are a dual credit student at Collin College, your classes will meet at the regular time. **Please remember that on testing days, deliveries are not accepted in the FHS front office.**
